

MICHAEL AARON LALEZARIAN, M.D.

CURRICULAM VITAE

Education

Interventional Radiology Fellowship, Department of Radiology, David Geffen School of Medicine

Ronald Reagan Hospital (Los Angeles, CA)

2013-2014

Radiology Residency, Department of Radiology, David Geffen School of Medicine, Ronald Reagan Hospital (Los Angeles, CA)

2009- 2013

Kaiser Permanente, Los Angeles Medical Center

Internal Medicine Preliminary position

2008-2009

David Geffen School of Medicine at UCLA

MD, 2004 – 2008

University of California, Los Angeles

B.A., Economics, summa cum laude

2000 – 2004

Licensure

Medical License: A 109360 (California)

Fluoroscopy License: RHL200101 (California)

Board Certification

American Board of Radiology (DABR) (June 2013)

Interventional Radiology Certificate (October 2017)

Professional Experience

Clinical Assistant Professor of Interventional and Diagnostic
Radiology Olive View – UCLA Medical Center
Sylmar, CA
August 2014 – Present

Staff – Interventional Radiology
St John's Providence Medical Center
Santa Monica, CA
January 2015 – Present

Staff – Diagnostic and Interventional Radiology
Veteran Affairs Administration – West Los Angeles
Los Angeles, CA
August 2014 – Present

Patient Safety Committee Officer
Olive View - UCLA Medical Center
August 2017 - Present

Infectious Disease Committee Officer
Olive View - UCLA Medical Center
January 2015 - Jan 2018

Radiation Safety Committee Officer
Olive View - UCLA Medical Center
October 2014 – 2017

Co-Principal Investigator, Study Coordinator
Multi-center Clinical Trial for PneuSeal™ device for use in prevention of Pneumothorax in
CT-Guided Lung Biopsy
UCLA, Department of Radiology, Division of Interventional Radiology
Christopher Loh, M.D., Stephen Kee M.D
2007 - 2008

Student member on Admissions Committee
David Geffen SOM
2006-2007

President
Orthopedic Surgery Interest Group at UCLA SOM
2005-2006

Professional Activities

Member of following organizations:

Radiological Society of North America (RSNA), 2007 - Present
Society of Interventional Radiology (SIR), 2007 - Present
Western Neuroradiological Society (WNRS), 2007 – 2011
American Roentgen Ray Society (ARRS), 2010

National Meetings

American Roentgen Ray Society Meeting (May 2010), San Diego, CA
Radiological Society of North America (November 2008), Chicaco, IL
Radiological Society of North America (November 2010), Chicaco, IL
World Conference of Interventional Oncology (May 2014), New York, NY
Society of Interventional Radiology (March 2014), San Diego, CA
Society of Interventional Radiology (March 2013), New Orleans, LA
Vascular Interventional Advances (November 2013) Las Vegas, NV
Vascular Interventional Advances (November 2014) Las Vegas, NV

Honors and Special Awards:

Alpha Omega Alpha Honor Society – Inducted in 2008

Research Grants and Fellowships Received:

Co-Investigator

Post Marketing Surveillance of the CentrosFlo[®] Tunneled IJ Catheter sponsored by Merit Medical of Salt Lake City, UT
2014-2015

Visiting Professor

Asan Medical Center, Department of Vascular and Inverventional Radiology
Seoul, South Korea
July 2014

Lectures and Presentations:

Clinical and Contemporary Interventional Radiology Conference
Kyphoplasty in 2018, Guest Lecturer
February 2018
Santa Monica, California

Vascular Interventional Advances (VIVA) Medical Conference
Face Off Case Presentation: “Renal Artery Anyeursm”
September 2017
Las Vegas, Nevada

Endovascular Interventions for Acute and Chronic Lower Extremity Deep Venous Disease
Lecture to Radiology Faculty, Housestaff, Medical Students, Mid-level providers
Lecture to Attendings, House Staff, and Mid-level providers
Olive View – UCLA Medical Center, Sylmar, CA
August 2016

Multi-disciplinary Spine Program Introduction to Oncology, Anesthesiology, and Palliative Care
Lecture to Attendings, House Staff, and Mid-level providers
Olive View – UCLA Medical Center, Sylmar, CA
January 2016

Journal Club Presentation
Olive View – UCLA Medical Center
Department of Radiological Sciences
“Position Statement on Percutaneous Vertebral Augmentation”
February 2015

Vascular Interventional Advances (VIVA) Medical Conference
Face Off Case Presentation: “First do no harm: *A complication of Superficial Femoral Artery recanalization*”
November 2014
Las Vegas, Nevada

Interesting Case Conference for Radiology Staff and Residents
Asan Medical Center, Department of Radiology
Seoul, South Korea
July 30th, 2014

Vascular Interventional Advances (VIVA) Medical Conference
Face Off Case Presentation: “Whats my new liver got to do with my swollen leg!?”
October 2013
Las Vegas, Nevada

An Approach to Pancreatic Cystic Lesions: What every Radiologist Needs to Know
Grand Rounds, UCLA Department of Radiology, December 2011

Interesting Case Conference presentation for Medical Students
David Geffen School of Medicine at UCLA
October 2011

Imaging Features of Patients with Lumbar Interbody Fusion with Cage Implant,
Western Neuroradiological Society Annual Meeting,
Vancouver, Canada,
October 2007

Comparison of Polyethylethylene (PEEK) material vs. Allograft material in Single Level
Lumbar Interbody Fusion,
Josiah Brown Poster Fair, UCLA Campus in Los Angeles, CA
August 2005

Educational Exhibits:

1. The Superior Mesenteric Artery: The Forgotten Middle Child of the Abdominal Aorta.
ES Levin, MD; S Bahrami, MD; BL Dubin, MD; M Lalezarian, MD; M Deshmukh, MD; MK Patel, MD.
Radiological Society of North America (RSNA)
Chicago, IL - November 2017
Accepted for Presentation
2. Ready to Explode: Tips for Identifying, Triaging, and Managing Visceral Artery Aneurysms
B Dubin, MD; Mlalezarian, MD; S Mohammad, MD; S Bahrami, MD; K Seals, MD; M Patel, MD
Radiological Society of North America (RSNA)
Chicago, IL - November 2017
Accepted for Presentation
3. Visceral Artery Aneurysms: Current Management for the Diagnostic Radiologist.
B Dubin, MD; M Lalezarian, MD; S Mohammad, MD; S Bahrami; M Patel, MD
American Roentgen Ray Society Annual Meeting
New Orleans, LA – April 2017
Accepted for Presentation
4. Multimodality imaging of renal vascular lesions: pearls from challenging cases
T Le, MD; M Lalezarian, MD; M Lee, MD; A Au, MD.
American Roentgen Ray Society Annual Meeting
New Orleans, LA – April 2017
Accepted for Presentation
5. Interventional management of visceral artery aneurysms and pseudoaneurysms.
B Dubin, MD; K Seals, MD; M Lalezarian, MD; S Bahrami, MD; Alexander Yeun; M Patel, MD
Society of Interventional Radiology (SIR) Annual Scientific Meeting
Los Angeles, CA - March 2018
Accepted for Presentation

Papers in Preparation

Case-Report: Atypical carcinoid of the Lung and advanced percutaneous image-guided biopsy techniques

Abstracts:

1. Lalezarian MA, Shamie AN. Comparison of Polyethylethylene (PEEK) material vs. Allograft material in Single Level Lumbar Interbody Fusion. *Jrnl of Investigative Medicine*. vol 54, Jan 2006.
2. Lalezarian MA, Bohman L, Zaragoza E, Shamie AN
Imaging Features of Patients with Lumbar Interbody Fusion with Cage Implant, *Western Neuroradiological Society Annual Meeting, October 2007*
